

SHOOTING YOURSELF IN THE FOOT © By PAC info@pacinlaw.org *Political Awareness Issue*

Below is a most important maxim of the common law:

Rei turpis nullum mandatum est.

- A mandate of an illegal thing is void. *Dig. 17, 1, 6, 3.*

That common law maxim may be applied as:

Was the 14th Amendment lawfully ratified? The answer: NO.

Were the 14th Amendment state constitutions forced? The answer: YES.

Were the new states instituted by a democratic process? The answer: NO.

So, is not arguing the *special* and *private* law of the 14th Amendment States and the United States bringing a legal fiction into such law having validity as law?

The question is: Have you denounced the political system that is established under the Fourteenth Amendment by properly using all law to your advantage?

SO THIS QUESTION IS POSED:

Are you shooting yourself in the foot?
